

## **Bellinis**

Peach Syrup:

2 Cups of Frozen IQF  
Sliced Peaches (Thawed)  
2 TBS Peach Snaps  
2 TBS Fresh Lemon Juice  
1 TBS Sugar

Put into a Blender and Purée.

1 Bottle of Prosecco  
I will probably use Zardetto

Put a serving pitcher in a bowl of ice. Put peach syrup into it.  
Pour in Prosecco.

(Prosecco is nice because it is not quite as effervescent as champagne and it is lower in alcohol content.)
